RE: Notification for Statement on Dietary Supplements

Dear Mr. Moore:

Our company, Libentis LLC, 100 Windhover Drive, Chapel Hill NC 27514 is importing and distributing a dietary supplement LYCOPENOMIN ACTIVE that contains a natural lycopene, selenium and vitamin C. We claim that this dietary supplement has antioxidant effects and therefore helps to maintain a good health.

I am writing this letter to you to certify that Libentis LLC has necessary substantiation for the claim cited above.

Sincerely,

A handwritten signature in cursive script, appearing to read "Petar J. Denoble".
